TO: ALL PARKVIEW VOLLEYBALL COORDINATORS and AD's

SUBJECT: SCHEDULES and FORMS

The schedules are now posted on the web site under the V-Ball Tab. We had 1 team drop after we had a lot of the scheduling already done so there are a few instances when we start at 10 AM on a Saturday and 1PM on a Sunday. Please note that these are not mistakes but due to trying to accommodate the dropped team without having to redo other team schedules. **Please check the schedules** to make sure the teams you expected to be entered are all there, that each team has 12 matches and that we **did not schedule your gym when it is not available**. We had to split up some of the big blocks of games which means that **some teams have to play on both Saturday and Sunday on a particular weekend**. We highlighted them in a **Blue Background**

The referee schedule and list of referee names and phone numbers are also posted on the web site. Print these out and post them at your gym so the gym supervisor can call the assigned ref if they do not show. You can also use this list to call refs to officiate your tournaments. This schedule does change slightly during the season, so do not be surprised if a different ref shows up at your gym than the one assigned, or if you call them and they tell you the schedule has changed. If a ref does not show and you can not reach them, call me on my cell phone at 262-894-0093 and I will try to be of assistance. Otherwise try to find a mutually agreed upon ref to officiate the match and call me later with their name and address so I can send them a check.

We also have a list of **all matches sorted by Gym**. You can print out the GYM Sort to aid you in scheduling concessions, admissions and scorers.

Rosters are Due Friday August 30. Please FAX, Email or mail them to Ken Lewicki at 13331 W. North Lane, New Berlin, WI 53151. klewicki3@yahoo.com Include any Waivers with the rosters.

Updated rules are also posted on the website. Pretty much the same as last year with a few grammar changes.

If any questions or problems come up during the season please email us immediately. If it is regarding refs, be specific so we can discuss the situation with that ref and either correct what they are doing wrong or correct your understanding of the situation. Lets all hope for a successful season.
