The forms can be found on the Parkview Parochial League web site www.parkviewparochial.org

SCHEDULES - Schedules will be drawn up starting in October. Each school must inform the league by the midnight October 16th commitment date of any events which would cause schedule problems or conflicts such as scouting camps, Christmas concerts, school plays, forensic meets, etc. The League will make every attempt to work with the schools involved in drawing up the schedule, if informed appropriately and in a timely manner. Schedules will be ready late November. Schools will have one week to review the tentative schedule and arrange swaps directly with other schools. A swap means trading a game time or gym location within the existing weekend schedule. All confirmed swaps must be submitted to Joel within 1 week. If it can't be worked out within those parameters, the original schedule stands. Each team will play a total of 12 games during the season.

CANCELLATIONS – The designated contact person for each school will be notified by the Parkview Executive Board as early as possible in the case of cancellations. If a day's schedule is cancelled for any reason, the Executive Board will determine make-up dates.

COACHES – Team playing rosters (use the PPL Game Roster Form) must be turned in to the scorer's table at the beginning of the warm-up period prior to the start of the game. Coaches must indicate the starting line-up at this time and also prior to the start of the second half. Coaches must check for and have all players remove all jewelry, earrings, metal hair clips, etc. prior to the start of the game. Coaches must also supervise players at all times.
